**DECISION  
ON PETITION**

This is a decision on the correspondence entitled "Petition Under 37 C.F.R. 3.81(b)," filed October 30, 2007, to correct the name of the assignee on the front page of the above-identified patent by way of a Certificate of Correction.

The Petition is **granted**.

The petition was accompanied by a certificate of correction as required by 3.81(b), and the fee submitted with the present petition. Further, Office assignment records reflect that Omni Guide, Inc., is the assignees of record. As the request complies with the provisions of 37 CFR 3.81(b), it would be appropriate for a certificate of correction to be processed.

The application file does not indicate a change of address has been filed in this case, although the address given on the petition differs from the address of record. A change of address should be filed in this case in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address noted on the petition. However, until otherwise instructed, all future correspondence regarding this application will be mailed solely to the address of record.

Telephone inquiries concerning this matter should be directed to the undersigned at (571) 272-3232. Any questions concerning the issuance of the Certificate of Correction should be directed to the Certificate of Correction Branch at (571) 272-4200.

This matter is being referred to the Certificates of Correction Branch for processing of a certificate of correction after issuance of this application into a patent.
